Finding membership growth and retention  
 forms or publications on the Web site (over)

Lions looking for help on membership growth or retention related issues can access the Lions Clubs International Web site ([www.lionsclubs.org](http://www.lionsclubs.org)) for publications or forms. As a Lion, you may wish to access publications to invite members, provide member orientation or improve retention rates. As a Lion, you may wish to access forms in order to complete tasks, such as transferring a member or applying for reinstated service credit. On the Web site, a Lion could preview publications before ordering them through LCI; we also encourage Lions to print out smaller publications or forms on their personal computer.
