

Kimberly Taylor
District Governor
District 26-M2
2010-2011

Dear Lion Club President:

Our 2010-2011 M2 District Governor, Lion Kimberly Taylor, her spouse, PDG Eugene and the Cabinet Officers are looking forward to this coming year's Governor Visit with the clubs in the District. **Please select 4 dates along with the time** and we will schedule your visit into the Governor's calendar.

Please return this form as soon as possible, as all visit dates are assigned on a first come basis. DG Kimberly would like to have all Club visits completed by the end of February 2011 in order to prepare for the District Convention in March. Last year, several clubs joined together and had a combined Governor Visit. This was a great opportunity for the members to not only spend some time with the Governor, but also with other Lions clubs. DG Kimberly is encouraging the clubs to do it again this year, as it helps in the scheduling of 52 club visits and makes a fun evening for all.
