District 26-M2 Governor Devin's Message

Hello Lions friends,

I'm happy to be writing this on a warm, sunny day. I love the Spring and Summer seasons and being outdoors. If you happened to hear my daughters "roast" me at the district convention, you know about my passions for biking, concerts, and lawn care. All of these passions (thankfully) pick up at this time of the year. It makes my heart happy.

Speaking of the district convention, thank you to each of you for making it a huge success. I appreciate the hard work of the committee. I appreciate the clubs who hosted hospitality booths and those who presented President reports. I appreciate the service organizations who sent representatives and gave reports. I appreciate all who supported our Touch of Hope Purse service project. I appreciate all of our Lions friends who traveled a long distance from outside the district. I appreciate my fellow District Governors who came to show their support. It makes my heart happy.

Congratulations to those who received special awards at the district convention. We presented four International President Certificates of Appreciation, multiple Melvin Jones Fellowships, two Mid-South Dalstrom Awards, a Quality Lion Award, and multiple LCI Chevrons. In addition, the Eye Foundation and many clubs presented substantial donations for our various service organizations and causes. It makes my heart happy.

I also want to congratulate those who were elected into new positions for the 2022/2023 Lions year. These included PCC Lion George Winkeler Jr. (Saving Sight board member), Lion Ed Marshall (Eye Foundation board member), Lion Michelle Foster (2nd Vice District Governor), Lion Paul Carr (1st Vice District Governor), and

(Continued on Page 2)

Lion Leon Hove (District Governor). Speaking of my friend and your District Governor Elect Leon, he's been quite busy. He's doing the hard work to be prepared for his year as District Governor. I promise he will be an amazing leader for our district. He is ready to serve. It makes my heart happy.

With a happy heart,

*Lion Devin Struttmann,
District Governor*

District 26-M2 1st VDG Leon's Message

Fellow Lions,

Spring has sprung and many clubs are starting up their BBQ grills. Covid appears to be waning but probably will be part of our lives for some time, but people want to be out and involved. As we BBQ or have other events, be sure to relay to those who attend what Lions do. Ask if there are ways we can serve community needs that are not being met currently by others, that maybe we could do.

Reach out to club members who have been absent or maybe even dropped during the past two years because of covid. Invite them to return and help us serve those in our communities who have suffered more than we have. Find their passion and yours and enjoy the great feeling that comes from serving others.

*Lion Leon Hove,
District Governor-Elect*

-----< θ >-----

District 26-M2 2nd VDG Paul's Message

Fellow Lions in District 26-M2,

Spring is in the air; the birds are chirping, and the flowers are blooming. It is time for the spring cleaning out of the winter items and into the spring items. Get your planners out for it is also time to start planning the BBQ, county fairs, local fairs, carnivals, and such. What are your clubs doing to raise awareness of your local Lions Club and activities that we are doing? Get this information out to your Zone Chairperson, they are your communication spokesperson for the district and our community. Post the information on our district Facebook page, <https://www.facebook.com/groups/112111485465968> ask for help, through the Zone Chairperson, if you need help with your club event.

(Continued on Page 3)

Speaking of communication spokesperson, who is your Club Administrator? What is a Club Administrator? What does a Club Administrator do? These are all good questions about a Club Administrator. From my perspective, a Club Administrator is a person that helps the club out with communication of service activities through LCI website, putting in the service hours and number of people receiving service. It is someone that collaborates with the club secretary on these items of communication with the Zone Chairperson. It is a helping hand with communication with the district and Lions Club International. Does your club have such a person that will help? Let your Zone Chairperson know who your Club Administrator is. Thank you

*Lion Paul Carr,
1st Vice District Governor Elect*

WHO WE ARE

At Leader Dogs for the Blind we believe that everyone deserves a life of independence and mobility. All of our services are provided free of charge to our clients, including travel in the U.S. and Canada, room and board, equipment and training. This means that no one is excluded from living their most fulfilling life due to lack of funds.

We are 100% philanthropically funded by individual donors, Lions clubs, corporate partners and foundations. Simply put, we could not provide over one million days of independence each year without the immense generosity of our supporters.

Our programs are designed to provide our clients with the tools and training to reintroduce them to a life of confidence, safety and independence. Through our full-range of services—Guide Dog Training, Orientation & Mobility Training and Summer Experience Camp—we meet the mobility needs of our clients at every stage of their lives

OUR MISSION

Our mission is empowering people who are blind or visually-impaired with lifelong skills for safe and independent daily travel.
